

Name: Linda Kaup

Quilt Name: **Just Rolling On Through: Downtown Diversity**

Dimensions: 21.5" by 23.5"

Artist Statement

I love abstract art designs and I also love color. I have ridden across country on Amtrak three times and love looking at all the shops and colors when rolling through downtown. When I heard about this quilt challenge I knew right away what I wanted to make – abstract buildings which seem to change shape as they go past.
